RE: Support for Miracle Field in Deep Meadow Park, Horsham, PA

This letter serves as my written acknowledgment of support for this incredibly worthwhile project in Horsham, PA. While the project itself is situated outside of my district, it will undoubtedly impact my community greatly. Special needs children and families from all over this vicinity will be able to enjoy the improvement to Deep Meadow Park that Miracle Field will bring to the area.

The opportunities with a Miracle Field at Deep Meadow Park are endless. An addition like this gives athletes of all ages with physical and cognitive disabilities the chance to play a sport they love, vastly improving their mental and physical wellbeing. Made from rubber turf to accommodate wheelchairs, walkers, crutches, and braces, Miracle Field will provide a safer accessible experience for those who are often left watching from the sidelines and their families.

While special needs children and families will benefit greatly from this worthwhile project, it doesn't stop there. Disabled veterans, senior citizens and able-bodied athletes will be able to take advantage of the experience as well. Being able to give a level playing field for all to equally enjoy a healthy recreational activity such as this is a unique and important opportunity for our collective communities, and I ask that you join me in giving them your full support to bring it to fruition.

Sincerely,

A handwritten signature in black ink, appearing to read "Benjamin V. Sanchez".
