RE: Support for Miracle Field in Deep Meadow Park, Horsham, PA

I write this letter to voice ardent support for Miracle Fields of Horsham, PA to develop and build an accessible Baseball and Athletic Facility in Horsham's Deep Meadow Park.

The Miracle League concept was developed in 1998 to help children with disabilities play the game of baseball and has grown to more than 275 organizations, serving over 200,000 players worldwide. Comprised of over 50 acres and currently home to 11 baseball fields and the Horsham Little League Association, Deep Meadow Park is well-suited to include a Miracle Field and League. A new Miracle Field will serve disabled athletes of all ages as well as disabled veterans and senior citizens.

I give my full support to create a safe, accessible, and inclusive Miracle Field at Deep Meadow Park, where community members, both with and without disabilities, can enjoy athletics, competition, and other recreational opportunities together. In addition to promoting a healthy, active lifestyle for everyone, the Miracle Field will help to provide equality of opportunity for disabled athletes and full participation in our community.

Sincerely,
