Re: Support for "Miracle Field of Horsham, PA"

Dear Mr. Slaymaker:

As the state senator representing Horsham Township and much of the surrounding region, the Democratic Chair of the Senate's Aging & Youth Committee, a member of the General Assembly's Autism & Intellectual Disabilities, Rare Disease, and Traumatic Brain Injury Caucuses, and a registered nurse, I am writing to express my strong support for your efforts to bring a state-of-the-art [Miracle League](#) field to Deep Meadow Park in Horsham Township and offer individuals with mental and physical disabilities the opportunity to experience America's favorite pastime in a safe, accessible and welcoming environment.

Since you first pitched this idea to me in June of 2021, I have been consistently impressed by your enthusiasm, determination and noble intentions. And as I promised you then, I'm all in. I look forward to continuing to work together to secure funding for this worthy project and see it through to completion, so that individuals with disabilities and their families have a place to gather, make friends, and play ball!

Respectfully,
