Horsham Miracle Field

Dear Mr. Slaymaker,

I would like to commend you and your committee for bringing the Miracle Field project to Horsham. Your endeavor is a monumental effort, a true labor of love.

Constructing a Miracle Field in Horsham's Deep Meadow Park will provide countless children (and adults) the opportunity to experience the wonder and exhilaration of playing baseball on a safe and accessible field - hearing the crack of the bat, feeling your heartbeat as you advance toward first base, and feeling the love that comes from being part of a team and community. Your mission to ensure children with special needs are provided a safe and inclusive environment where they will find comfort, friendship, and a sense of belonging through athletics and sportsmanship is both admirable and visionary.

I enthusiastically support the Miracle Field project and eagerly await Opening Day and the first pitch.

Sincerely,

A handwritten signature in blue ink that reads "Todd Stephens".
