**RE: Support for Miracle Field in Deep Meadow Park, Horsham, PA**

Dear Mr. Slaymaker,

I writing to offer my full support for Miracle Field to develop and build an accessible Baseball and Athletic Facility in Horsham's Deep Meadow Park.

Horsham Little league has been hosting a Challenger Division baseball program since 1995. The program currently has approximately 60 - 100 special needs children participating annually. They offer children with disabilities, who reside throughout Montgomery and Bucks Counties the ability to play baseball with children who have similar struggles.

The goal of this project is to build the Challenger Division participants a Miracle Field. A Miracle Field is a baseball field specifically designed for children with developmental disabilities and those who may use wheelchairs and walkers. The Miracle Field build will greatly improve the playing conditions for these children as the new field will include an ADA compliant surface that will allow wheelchairs and walkers to move easily. They also plan to build two new bathrooms as part of our improvements at Deep Meadow Park in Horsham.

As co-chair of the Intellectual Disability Caucus, and a Navy Veteran, I fully support the proposed Miracle Field in Deep Meadow Park, Horsham Project. A new Miracle Field will serve disabled athletes of all ages and disabled veterans in both Montgomery and Bucks Counties.

Sincerely,

A handwritten signature in black ink, appearing to read 'F. Todd Polinchock'.
